Caleb: Can I borrow a minute and ten seconds of your time, sir?
me: I suppose
Caleb: http://www.youtube.com/watch?v=qszVH0JCAYk
Caleb: Don't skip forward.
Caleb: Just watch.
me: I just paused this to note that as I am at the office, I can listen to this full blast without garnering any attention
me: okay, I just paused this again
me: I'm going to hit unpause in a second
me: just need to get my bearings now that I know what's going on
me: come back
me: don't leave me like this
Caleb: Yes?
me: I just need to talk to someone about what just happened
me: that fat man
me: he regaled his audience with a voice cameo by his legendary fetus character
Caleb: Yes.
Caleb: He made a believer out of me.
me: really? I didn't think it was very good.
me: we'll have to talk about this because I don't think that should warrant you converting to Christianity
Caleb: maybe your right lol
Caleb: that was close
Caleb: I just want you to note that there are hundreds of people in that audience.
Caleb: How big was _your_ last audience?
me: http://www.youtube.com/watch?v=XDlmUn1kBgA&feature=related
me: oh jesus
me: the pictures get very disturbing pretty quick into this
me: um
me: check out the comments
Caleb: The abortion is on my birthday.
